For questions, call the State Route 210 project helpline: 1-866-HELP-210 or visit [www.sanbag.ca.gov](http://www.sanbag.ca.gov)

July 28, 2005

## **MACY STREET NORTH OF HIGHLAND AVENUE WILL CLOSE FOR STORM DRAIN WORK, AUG. 1-10**

Macy Street will be closed to traffic just north of Highland Avenue from August 1 to August 10. This temporary closure is part of the Route 210 construction, which includes major storm drain improvements along State Street, Highland Avenue, Macy Street and California Street in San Bernardino.

Only the section of Macy Street between Adams and Highland will be closed. Southbound drivers on Macy will be detoured to State Street using Porter, Mesa and Adams streets. However, access to the self storage and lumber yard will be maintained on Macy Street during the construction. See the map below for closure details.

During the construction, please continue to support local businesses. San Bernardino Associated Governments regrets any inconvenience this construction may cause and thanks residents in advance for their patience. Please allow extra travel time, follow signs and posted detours and drive carefully through construction zones. Providing access to local businesses and minimizing daily disruptions to businesses will be a priority for the construction crews. For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov).

**Remember: Safety: It's no accident!**

Please call the Route 210 Helpline for any special access needs you might have or anticipate during construction. If any contractors, machinery or work directly impact your business, please let the construction workers know.  
Thank you for your patience and cooperation!
